1. Referenced Subject was successfully detained on 13 - 14 January when OHEIM property in Heilbronn was vacated.
2. CIC, after checking Subject's personal effects, failed to find the information he claimed to have. Subject said he sent it to the East Zone about the middle of December via a man from Kaiser's lantern whom he met at Heidelberg. Subject did not know this courier's name.
3. CIC questioning revealed that Subject, in shopping for a customer, had been approached by one (fnu) SAMBLER of the Bonn government to work for "Wittke-Deutsche Freiheitsbund" to gather information in the East Zone. SAMBLER knew of Subject's net in the East.
4. Subject knows a Dr. (fnu) KALSER from Bonn.
5. Subject's wife sought aid and sympathy from Heilbronn MRS BUTLER, who at first indicated he would investigate the matter further. To date, nothing has developed.
6. Subject declared upon leaving jail that he might be back soon as he was "going out to find" SUCCO (the houseman).
7. CIC picked up several personal documents from Subject. These will be forwarded to FOB via their representative here.

*Karl note to FDM: Subject was dropped as "bad" some time ago and recently, being evicted from his house, threatened "100.00" if he wasn't helped.*
